Physicians

Michael Lesem, MD

Medical Director Michael Lesem, MD, has been conducting clinical research since 1985. After completing a fellowship at NIH and several years conducting research at University of Texas, Houston, Dr. Lesem joined forces with Dr. James Claghorn and created CLRC. In 1993, he took the helm of CLRC as Owner/ President and Medical Director. Dr. Lesem is board certified in Psychiatry and Geriatric Psychiatry.

Alain Katic, MD

Associate Medical Director Alain Katic, MD, has been involved in clinical research trials for four years. He is a board certified adult, child and adolescent psychiatrist. Dr. Katic graduated from the University of Texas Medical Branch in Galveston in 1991. He completed his child psychiatry fellowship at Children's Hospital/Harvard Medical School in Boston Massachusetts.

James Claghorn, MD

Medical Director Emeritus, James Claghorn, MD, brings us over 30 years of experience in conducting clinical research and was formerly a member of the FDA advisory committee for psychopharmacological agents. Dr. Claghorn is board certified in Psychiatry.
